FOR IMMEDIATE RELEASE

Angeion Corporation to Present at 2009 AeA Micro Cap Financial Conference

Company to Showcase Business Strategy to Key Technology Investors

ST. PAUL, Minn. (April 21, 2009) — Angeion Corporation (NASDAQ: ANGN), today announced that senior management will be presenting at the AeA 2009 Micro Cap Financial Conference on Monday, May 4, 2009. The event is being held at the Monterey Plaza Hotel in Monterey, Calif.

Slides of the company's presentation will be available the morning of May 4, 2009, on the "Investors" section of the Angeion web site at:

http://www.angeion.com/investor_relations.html.

Angeion senior management will present an overview of the company's current business strategy and growth opportunities to technology investors. Angeion continues to focus on diagnosing cardiorespiratory and cardiopulmonary conditions. The company's diagnostic systems have a wide range of applications in healthcare, as well as health and fitness.

About Angeion Corporation

Founded in 1986, Angeion Corporation acquired Medical Graphics Corporation in December 1999. Medical Graphics develops, manufactures and markets non-invasive cardiorespiratory diagnostic systems that are sold under the MedGraphics (www.medgraphics.com) and New Leaf (www.newleaffitness.com) brand and trade names. These cardiorespiratory diagnostic systems have a wide range of applications in healthcare as well as health and fitness. The Company's products are sold internationally through distributors and in the United States through a direct sales force that targets heart and lung specialists located in hospitals, university-based medical centers, medical clinics and physicians' offices, pharmaceutical companies, medical device manufacturers, clinical research organizations, health and fitness clubs, personal training studios, and other exercise facilities. For more information about Angeion, visit www.angeion.com.
